

Personal Statement – Top Tips and Advice Article Competition 2017

Deadline: 15th of October 2017

Open to: Medical Students from all over the UK

Write an article (minimum 500 words) describing some of the top tips and best writing strategies that potential applicants can use to ace their Medical School Personal Statements.

The best article will receive a book from the Unofficial Guide to Medicine Book Series together with a certificate and other vouchers/prizes from our sponsors.

This represents a national yearly competition and certificates are signed by our senior doctors.
